

# Rare Bear Charity Day

There are over 15 million children in the US that suffer from a rare disease. The RARE Bear program is an initiative to make one-of-a-kind bears for special one-of-a-kind kids.

Pins and Needles will be hosting a Charity Sewing Day. We invite our customers to come in and donate their time. Experienced sewists will sew and stuff teddy bears. But there are even tasks for newbies! New young sewers will make a small quilt...actually they will make two...one to keep and one to donate with the bears.
